Year	Location	Unit Code	Unit Name	Result	
2008	CAMPBELLTOWN	ICAA5056A	Prepare Disaster Recovery And Contingency Plans	Distinction	More
2008	CAMPBELLTOWN	ICAB5159A	Build A Security Shield For A Network	Distinction	More
2008	CAMPBELLTOWN	ICAI5089A	Implement And Hand Over System Components	Distinction	More
2008	CAMPBELLTOWN	ICAP5039A	Match It Needs With The Strategic Direction Of The Enterprise	Distinction	More
2008	CAMPBELLTOWN	ICAS5111A	Review And Manage Delivery Of Maintenance Services	Distinction	More
2008	CAMPBELLTOWN	ICAS5118A	Manage System Security	Distinction	More
2008	CAMPBELLTOWN	ICAS5202A	Ensure Privacy For Users	Distinction	More
2008	CAMPBELLTOWN	ICAT5077A	Develop Detailed Test Plan	Distinction	More
2008	CAMPBELLTOWN	ICAT5081A	Perform Systems Test	Distinction	More
2008	CAMPBELLTOWN	ICAT5082A	Manage The Testing Process	Distinction	More
2007	CAMPBELLTOWN	BSBPM505A	Manage Project Quality	Competent	More
2007	CAMPBELLTOWN	ICAA4041A	Determine And Confirm Client Business Expectations And Needs	Distinction	More
2007	CAMPBELLTOWN	ICAA4233A	Determine And Apply Appropriate Development Methodologies	Distinction	More
2007	CAMPBELLTOWN	ICAA5140A	Design A Server	Pass	More

2007	CAMPBELLTOWN	ICAA5151A	Gather Data To Identify Business Requirements	Distinction	More
2007	CAMPBELLTOWN	ICAA5158A	Translate Business Needs Into Technical Requirements	Distinction	More
2007	CAMPBELLTOWN	ICAB5160A	Build And Configure A Server	Credit	More
2007	CAMPBELLTOWN	ICAI4097A	Install And Configure A Network	Distinction	More
2007	CAMPBELLTOWN	ICAS5102A	Establish And Maintain Client User Liaison	Distinction	More
2007	CAMPBELLTOWN	ICAS5192A	Configure An Internet Gateway	Distinction	More
2007	CAMPBELLTOWN	PSPPM502B	Manage Complex Projects	Competent	More
		BSBCM106A	Follow Workplace Safety Procedures	By Advanced Standing	More
		ICAD2012A	Design Organisational Documents Using Computing Packages	Distinction By Result Transfer	More
		ICAD4217A	Create Technical Documentation	Distinction By Result Transfer	More
		ICAI3020A	Install And Optimise Operating System Software	Distinction By Result Transfer	More
		ICAI3101A	Install And Manage Network Protocols	Distinction By Result Transfer	More
		ICAI4029A	Install Network Hardware To A Network	Distinction By Result Transfer	More
		ICAS2014A	Connect Hardware Peripherals	By Advanced Standing	More
		ICAS3024A	Provide Basic System Administration	Credit By Result Transfer	More
		ICAS3032A	Provide Network Systems Administration	Credit By Result Transfer	More
		ICAS3120A	Configure And Administer A Network Operating System	Distinction By Result Transfer	More
		ICAT3025A	Run Standard Diagnostic Tests	Credit By Result Transfer	More
		ICAU1128A	Operate A Personal	By Advanced	More

	Computer	Standing	
ICAU1129A	Operate A Word Processing Application	Pass (Ungraded) By Result Transfer	More
ICAU1130A	Operate A Spreadsheet Application	Pass (Ungraded) By Result Transfer	More
ICAU1131A	Operate Database Application	Pass (Ungraded) By Result Transfer	More
ICAU2005A	Operate Computer Hardware	By Advanced Standing	More
ICAU2006A	Operate Computing Packages	By Advanced Standing	More
ICAU2013A	Integrate Commercial Computing Packages	Distinction By Result Transfer	More
ICAU2231A	Use Computer Operating System	By Advanced Standing	More
ICAW2001A	Work Effectively In An It Environment	By Advanced Standing	More
ICAW2002A	Communicate In The Workplace	By Advanced Standing	More
ICTCC330A	Manage Customer Relationships	Distinction By Result Transfer	More
