

True Friendship

-None of that SissyCrap

Are you tired of those piss weak 'friendship' poems that always sound good, but never actually come close to reality?

Well, here is a series of promises that actually speak of true friendship.

You will see no cute little smiley faces on this card - Just the stone cold truth of a great friendship.

1. When you are sad - I will help you get hammered and plot revenge against the bastard who upset you.

2. When you are blue - I will try to dislodge whatever is choking you.

3. When you smile - I will know you are thinking of something that I would probably want to be involved in.

4. When you are scared - I will tease you about it every chance I get until you get over it.

5. When you are worried - I will tell you stories about how much worse it could be, or my life, until you stop whingeing.

6. When you are confused - I will try to use only little words.

7. When you are sick - Stay the hell away from me until you are well again. I don't want whatever you have (unless it was FUN to get!).

8. When you fall - I will laugh at your clumsy arse, but I'll help you up.

Friendship is
like peeing your pants,
everyone can see it,
but only you can feel
the true warmth.
